LOCAL AND NEW YORK FINANCIAL NEWS

TRADING WAS LIGHT ON LOCAL EXCHANGE

First Transactions in U. S. Realty Stock Since It Went on List Was Recorded.

The trading on the Washington Stock Exchange was light today, with no evidences of the activity which made yesterday's session the best of the week.

There was little demand for either stocks or bonds, and no appreciable price changes in the list.

Mergenthaler Linotype stock was strong, with sales aggregating thirty-three shares at 144. Washington Railway and Electric Company preferred stock sold at 32, and at 30, but of Washington Gas stock brought 17.

Stock of the United States Realty Company was traded in for the first time today since it was listed on the local exchange several months ago. The sale was trivial, being only two shares, at 2.

Small American Graphophone Company first 5 per cent bonds were strong, sales aggregating \$300 being recorded at 102. These were the only bonds traded in.

The bid price on the stock of the Columbia Gas and Electric Company was advanced to 41, which is the highest figure reached by this stock on the local board. No sales were recorded.

HUGHES ODDS GROW TO 10 TO 6 ON CURB

(Continued from First Page.)

small wagers were made on the curb at odds of 10 to 4 that Murray Hubert, Twenty-first Congressional district, will be re-elected in the November election.

The largest single bet placed yesterday with Fred Schumm, a Brooklyn betting commissioner, was \$5,000 to \$4,800 that Hughes would defeat Wilson.

Schumm has \$40,000 more Hughes money to be wagered at odds of 10 to 5, but the Wilsonites want 10 to 7 and 10 to 7.

Other wagers made follow: \$2,000 even that Hughes carries New York State by 5,000; \$2,000 against \$1,000 that Hughes wins the State; \$1,000 even that Wilson gets a plurality of 50,000 in New York city; \$2,000 even that Wilson wins in Ohio; \$500 even that Wilson wins in Manhattan; \$1,800 against \$1,500 that Wilson carries Brooklyn; \$1,500 to \$1,000 that Whitman is elected; \$500 to \$100 that Calder defeats McGowan; \$300 to \$400 that Calder will get 15,000 plurality in Brooklyn; \$500 even that Calder gets the majority in the city of New York.

Against \$2,500 that District Attorney Lewis beats O'Neill, and \$1,500 against \$1,250 that Cropper wins.

As the result of reports received from "agents" the confidence of Republican leaders in their ability to carry the State by a substantial plurality, Hughes has greatly increased. These reports show that there has been a shift of sentiment to Hughes in many localities in the last ten days.

The Republican State leaders never have had any doubts of carrying the State for Hughes, but in the last few weeks they have been raising their figures. One reason for this is the favorable situation disclosed in this city.

Some of the chiefs believe now they will keep the Wilson plurality down to 70,000 in the city, and others are predicting that it will be 50,000 or 60,000. Brooklyn, it is believed, will give 5,000 for Hughes. There is a chance that Queens will do better than Brooklyn.

Tanner's Prediction.
In an analysis given out, Chairman Tanner predicted that the entire State ticket would win "beyond shadow of a doubt."

The total vote this year, Mr. Tanner said in his statement, would probably exceed 1,000,000 as in the last three Presidential years. No Democratic State candidate, he pointed out, had been elected in the last three Presidential years.

The Democratic vote for governor has been steadily falling since 1908, he said. In 1908 it was 483,463; in 1910, 449,559; in 1912, and 446,401; in 1914, last year the total Democratic vote was 446,401.

Mr. Tanner said that the Republican vote, on the other hand, had steadily increased from 445,195 in 1912 to 700,236 last year.

Another fact pointed out by Mr. Tanner was that the Republican enrollment had increased in 1915 to 729,710 last year, while the Democratic enrollment had dropped from 655,040 to 612,231.

"The steady falling off in the Democratic vote," said Mr. Tanner, "and the rapid increase in the Republican enrollment, and the marked Republican vote, and finally the falling off of registration in the strongest Democratic territory, all point to a Republican victory, together with the results of the actual canvass that has been made in every county, indicate beyond the shadow of a doubt the success of the entire Republican ticket, State and National."

Whether Edward McDonald is guilty of holding up Frederick Vogt in Conduit road May 14, last, and relieving him of \$40, is to be determined today by a jury in Criminal Court No. 2. McDonald, with Herbert Ruff and Charles J. Schweitzer was indicted for the robbery.

Assistant District Attorney Leahy sprang a surprise on the defense this morning when he notified the indictment against Schweitzer, and called for the jury to be sworn to try the Government Prosecutor Leahy informed the court that he would make a motion for a directed verdict of not guilty in the case of Ruff.

McDonald is defended by former Assistant District Attorney S. Mac. Hawken and George Havell. Attorney Michael Mangin appears for Schweitzer, and Attorney Henry I. Quinn represents Ruff.

New Half Dollars and Quarters for Holidays
The Mint Bureau of the Treasury Department expects to be able to put in circulation the new quarters and half dollars for use in the Christmas holidays.

The quarters are now being minted and probably will be the first to appear.

The dies for the new half dollars have been made.
